ORDER ADOPTING MAGISTRATE JUDGE'S FINDINGS AND CONCLUSIONS

Before the Court is the petition for writ of habeas corpus under 28 U.S.C. § 2254 of petitioner Kenneth Johnson, along with the June 26, 2008, findings, conclusions, and recommendation of the United States magistrate judge. The magistrate judge gave the parties until July 18 to file written objections to the findings, conclusions, and recommendation. As of the date of this order, no written objections have been filed.

The Court has reviewed the pleadings and the record in this case, and has reviewed for clear error the proposed findings, conclusions, and recommendation of the United States magistrate judge filed on June 26, 2008. The Court concludes that the petition for writ of habeas corpus should be dismissed for the reasons stated in the magistrate judge's findings and conclusions.

Therefore, the findings, conclusions, and recommendation of the magistrate judge are ADOPTED.

Kenneth Johnson's petition for writ of habeas corpus under 28 U.S.C. § 2254 is DISMISSED WITHOUT PREJUDICE, except as to any application of the federal statute of limitations or other federal procedural bar that may apply.¹

SIGNED July 28, 2008.

¹A one-year statute of limitations is now applicable to the filing of non-capital § 2254 habeas corpus petitions in federal court. See 28 U.S.C.A. § 2244(d)(1-4)(West 2006). The statute of limitations is tolled, however, while a properly filed application for state post-conviction or other collateral review is pending. 28 U.S.C.A. § 2244(d)(2)(West 2006).
